Consultation on the Age Range at Franche Community Primary School

Dear Sir/Madam

Franche Community Primary School are seeking your views on consideration of a change of age range from 3 years – 11 years to 0 years – 11 years. Due to the onsite TOTs provision this is not changing capacity or provision on offer but will enable the school to simplify the internal organisational structures with all children being under one system.

This change is being considered from September 2026. Anyone with an interest in this change are welcome to provide a response. We are holding an informal drop-in consultation on Thursday 8th January from 2:30-5:00 where there will be an opportunity to ask questions and discuss the reasons for this consideration.

It is very important that all those involved have a say. A copy of the full consultation document and response form can be downloaded from the school website, or a hard copy is available at the school office. Responses must be submitted to:

Franche Community Primary School
Chestnut Grove
Kidderminster
DY11 5QB

Or e-mail to office@francheprimary.worcs.sch.uk

Responses must be received by noon on Monday 26th January 2026.

Following review of the consultation responses the Governing Body will decide whether to formally propose this change to Regional Schools Commissioner.

We very much welcome input to this consultation from all interested parties and look forward to hearing your views

Yours sincerely,

Mrs E Dixon
Headteacher
